Introduzione: Dr. Massimo Costantini - Direttore scientifico

Part A – Proposal Development under Horizon 2020 – A hands-on approach ore 10.00-11.30

Getting started with actual proposal development. How to turn your novel idea into a winning concept?
Finding a call, establishing a partnership and putting together a proposal.
Pre-proposal and full proposal development, basic rules, project planning basis,
content development and proposal writing. Dos and Don'ts.

Part B – Workshop – Proposal Development

ore 12.00-14.30

Participants are divided into small groups to practice the first steps of proposal development under Horizon 2020:
Call analysis, project concept development, formulation of the project objectives, a preliminary work plan, impact (incl. dissemination and communication) and resources needed.
